OUR TEAM

The Jump Resumes team comprises successful business professionals spanning numerous industry sectors. Each writer and editor is a widely published industry specialist, with collective output ranging from career development blogs and technical scientific documents to acclaimed international journalism. Our skills, experience and knowledge will ensure your capabilities are showcased to the highest possible standard.

OUR CLIENTS

In an increasingly competitive global job market, Jump Resumes is providing clients with the armoury to attract the attention of employers and secure an interview, promotion or new business.

Jump Resumes differentiates itself from its competitors by offering a highly personalised and attentive service based on innovation, precision and creativity.

Our satisfied clients range from Silicon Valley CEOs to students and university graduates. Our prices are unquestionably the most competitive in the industry. Our employment documentation is the best in the business.

OUR PARTNERS

Jump Resumes is always on the lookout for mutually beneficial business partnerships.

We have forged relationships with major recruitment agencies in Hong Kong, Perth and London, translation services in Turkey and outplacement agencies in Australia.

The Jump Resumes team's versatile writing skills have also proven the perfect complement to businesses seeking flawless editing, copywriting and proofreading services. We have enjoyed particular success transforming web content and promotional material drafted by writers from a non-English background.

Feel free to contact us to discuss what we can bring to your business.
